YOUR GENEROSITY DRIVES

STUDENT SUCCESS

Annual Report 2022

YOUR IMPACT

"I am a 32-year-old, nontraditional student going back to school after over a decade to change careers. I am working towards an associate degree in Automotive Technology and becoming a fully certified Ford automotive technician...this scholarship will significantly decrease my financial burden, allow me to focus on my studies, and improve the quality of my life. I am now even more motivated to do as well as possible in school and training."

– Tyler B.

"Thank you very much for this opportunity to further my education in welding with the generous support from the Quentin C. Walsh Memorial and Lombard scholarship funds. I am very grateful and plan to use these resources to further my life skills and future career. As someone who does not have many resources, you are helping me build my life and future into something I can be proud of and extremely enthusiastic about."

– Cailin Z.

LETTER FROM THE EXECUTIVE DIRECTOR

Thank you for believing in our mission and students. Together, we reached heights that were unimaginable a few short years ago.

Your philanthropy is transforming the student experience across our seven colleges by providing scholarship and program support directly to our students.

Highlights Include:

A transformational investment of \$1 million from Anna Grace and Paul Holloway helped establish the single largest endowed scholarship fund in our history. The Holloways' gift recognizes the important role that our community colleges will continue to serve in nurturing talent and in building bridges for New Hampshire's future.

Several new corporate partnerships were formed. Companies like Accurate Air partnered with Manchester Community College to establish a scholarship fund for HVAC students and the owners of Weare Animal Hospital established a fund for students enrolled in Great Bay Community College's Vet Tech program.

The New Hampshire Charitable Foundation (NHCF) received a bequest from Roderick H. Blackburn to support White Mountains Community College (WMCC) students pursuing

careers in nursing. The Foundation for NH Community Colleges will work with WMCC to distribute scholarships annually to students enrolled in the Licensed Nursing Assistant (LNA) and Nursing programs. This follows a major commitment by NHCF to fund one free course at any of New Hampshire's community colleges for every student who graduated high school in 2021, a year highly impacted by COVID-19.

Your philanthropy helps our students focus on achieving their college degree, leading to brighter futures for their families and stronger New Hampshire communities.

On behalf of the Foundation Board, CCSNH Trustees and the seven community colleges, thank you for giving opportunity to our students. We appreciate your commitment and partnership in this critical work.

Tim Allison,
Executive Director

HOLLOWAY FAMILY DONATION SUPPORTS CCSNH STUDENTS

The Holloway Family Scholarship Fund supports students with financial need attending any CCSNH college. This fund helps provide an entry point into higher education and enhanced opportunities for our students.

"Our goal in making this gift is to inspire and support men and women across New Hampshire seeking affordable, flexible education and connecting them to local careers. We recognized that working through the Foundation was the best way we could accomplish this," said Paul Holloway. "It's not about us; it's about the students and the future of New Hampshire."

Alfred Williams IV, River Valley Community College, Ex-Officio

IMPACT STORIES

Turning Tragedy Into Purpose

As a student trustee for the **CCSNH** Board of Trustees, Kelly Pilotte embraced the opportunity to deepen her impact as she pursued a goal with profound personal roots. As a trustee, she championed the student perspective while focusing on the needs of those battling trauma and substance misuse. As a student, she continues to build toward the dream of helping others in memory of her cherished son, Michael, who lost his battle with substance misuse in 2018 through establishing the Sgt. Michael Stephen Boyd Scholarship Fund.

A Lifetime of Caring for Animals Helps Launch Scholarship

The Duttons opened their first veterinary practice in 1992. A lifetime of caring for animals led to a new scholarship to encourage and support others interested in a career in animal care. Dr. Michael Dutton and his wife, Helen Dutton, established the Dutton Family Scholarship Fund for students in the Veterinarian Technology program at Great Bay Community College.

WHO WE ARE

The Foundation is the charitable organization dedicated solely to New Hampshire's community colleges.

The Foundation for New Hampshire Community Colleges (The Foundation) is a 501(c)3 entity established in 2000 to provide greater access to educational opportunities through financial assistance for student scholarships, program development and enhancements to facilities across our seven community colleges and local academic centers, which serve students in every region of the state. Our programs prepare students for in-demand, skilled

jobs and set the stage for success for those beginning a career or pursuing a new one.

We actively seek contributions from public and private sources to make scholarships available statewide, advance key programmatic initiatives and provide training and support for our community colleges. We also encourage and support partnerships with community stakeholders to implement customized education and training programs designed to meet the workforce needs of the 21st century.

NEW FUNDS

Accurate Air Scholarship Fund provides need-based scholarship support to students enrolled in an HVAC program at MCC.

Ann Louise Scott Scholarship supports non-traditional students in the Dental Hygiene and Dental Assisting programs at NHTI.

Build Community Littleton Expansion Fund supports the development and expansion of WMCC's Littleton campus.

Dutton Family Scholarship Fund provides need-based scholarship assistance to students enrolled in the Veterinary Technology program at GBCC.

The Fostering Youth Success Scholarship Fund was established by a grant from Bio X Cell Fund of the New Hampshire Charitable Foundation to provide assistance to RVCC students who are homeless or from the foster care system.

Granite Foundation Scholarship Fund provides need-based scholarships to NH students.

Holloway Family Scholarship Fund provides need-based scholarships to NH students pursuing a certificate or degree program at any CCSNH college.

Jo Ann & David Hampson Scholarship Fund provides need-based scholarship assistance to students attending GBCC.

Lakes Region Kennel Club Scholarship Fund provides need-based scholarships to students enrolled in the Veterinary Technology program at GBCC.

Lucille Jordan Fund for NCC Students honors President Lucille Jordan's silver anniversary of distinguished leadership to NCC and recognizes her unwavering commitment to students.

The National Board of Respiratory Care Scholarship is available to students enrolled in the Respiratory Therapy program at RVCC.

NCC Alumni Scholarship Fund provides financial assistance to students at NCC.

The Roderick Blackburn Nursing Scholarship Fund provides scholarships for students enrolled in the LNA or Nursing programs at WMCC.

Scott Gagne Memorial Scholarship Fund provides need-based scholarships to students enrolled in WMCC's Conservation Law Enforcement, Automotive Technology, Diesel Heavy Equipment Technology, or Trades Management programs.

Scott Mullin Memorial Scholarship Fund in memory of expert-level racer Scott Mullin, provides need-based scholarships to students enrolled in the Power Sports program at MCC.

Sgt. Michael Stephen Boyd Scholarship Fund in memory of decorated Marine Michael Stephen Boyd, provides need-based financial assistance to students enrolled in the Addiction Counseling program at NHTI.
